

## Useful Information for University Application

Dear ASRJCians,

To help you with your university application, you may want to refer to the following information and resources.

### Deadline for University Application

Deadline	University
<b>19 March 2023</b>	All local autonomous universities

### Application Process

\*\*Important: Please check the respective university websites for actual timelines.

### How to Apply

You should apply to **each** university directly via their online forms. Any application for scholarships or financial aid should be done at the same time in the online forms.

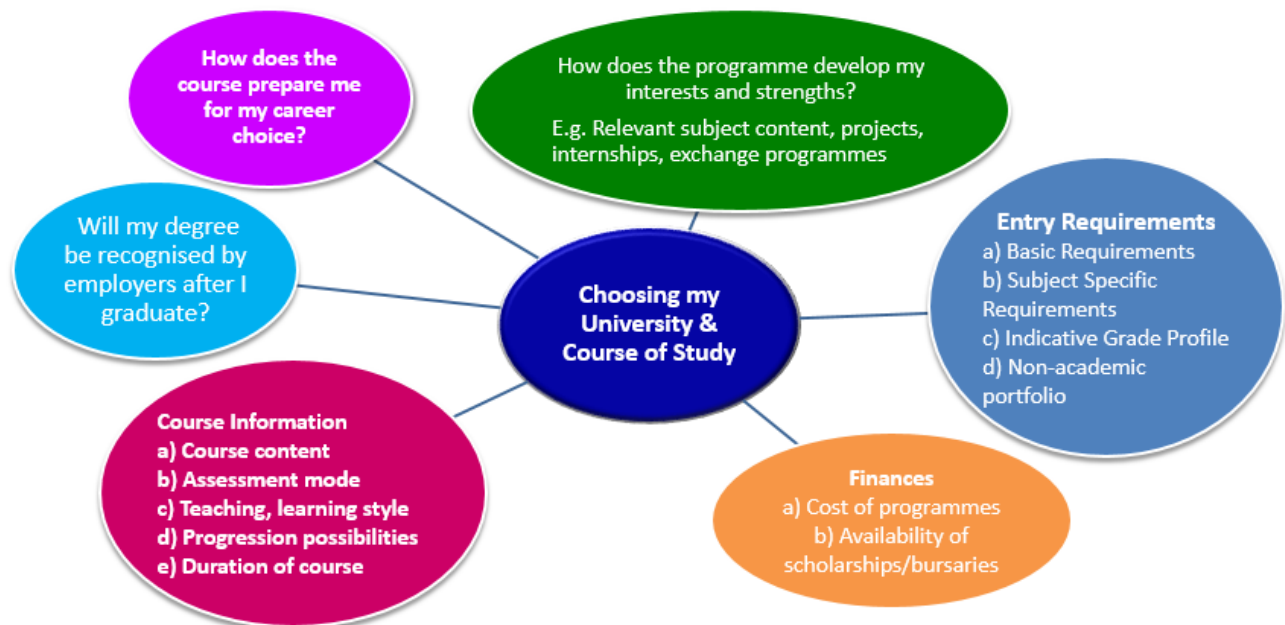

In order to increase your chances of success, you are strongly encouraged to apply to **all** universities concurrently.
